

## work experience

---

**Aug 2019—May 2020**  
Ferris State University  
Big Rapids, MI

### Design Project Center

During my senior year at Ferris I have had the opportunity to work with real clients. My two main clients were Grandville Avenue Arts and Humanities which is a non-profit and Let's Go Marketing which is a marketing tool for Ferris's College of Business. I learned a lot about working with clients and time management.

**June 2019—Aug 2019**  
Concept A Creative  
Spring Lake, MI

### Intern/Junior Designer

I had the privileged of interning at Concept A Creative in Spring Lake Michigan. I was able to work over 200 hours alongside other designers and I learned a lot about how the industry works. I was able to work on a variety of projects from designing an app all the way to developing storyboards for video production.

**July 2018—Sept 2019**  
Thought Bucket  
Muskegon, MI

### Designer

I worked for a startup called Thought Bucket; an agency that focuses on providing creative skills for small businesses. I filmed videos and rebranded businesses. I learned a lot about communicating with clients and working independently.

**Summer 2010—2018**  
Coppertime Sprinklers  
Fremont, MI

### Production

I worked for a small business called Coppertime for over eight years. They produce decorative sprinklers, wind sculptures, and other lawn ornaments that are all hand made out of copper. It provided me with the skills to seek better and more efficient ways for production. I also rebuilt their ecommerce website and reshot all of their product photography.
